

Compliance with Emergency Order

Company has offered the financial hardship relief to all eligible policyholders and extended such relief to a significant percentage of its policyholders.

Billing Suspension Options

Policyholders of vehicles that are not being utilized at all, have the option of enrolling in the emergency TLC vehicle license storage program and surrendering their license plates. No premium will be earned or billed during this period.

Reduced Costs

Policyholders enrolled in the emergency TLC vehicle license storage program and do NOT surrender their license plates have the option to reduce limits and coverage, thereby reducing insurance costs.

Current Guidelines

Company is still in the process of determining the most appropriate method of managing unpaid premiums during the Emergency Order period.

Company plans to adhere to DFS guidelines and requirements and to continue to evaluate and analyze the current situation.
